and/or Chlordecone from 1968-1978. Please also give all records pertaining to the names, addresses, telephone numbers, position descriptions, job duties, and qualifications for these personnel at the EPA.

3. Please provide any and all records pertaining to written or telephone messages, fax, correspondence, e-mails, computer data or records, or any other form of communication received by or sent to the EPA pertaining to any and all dangers and warnings of Kepone and/or Chlordecone from 1968-1978.
4. Please provide any and all records pertaining to the names of all EPA personnel (contract or employee) performing chemical monitoring in regards to any and all dangers and warnings of Kepone and/or Chlordecone from 1968-1978. Please also provide all records pertaining to the names, addresses, telephone numbers, position descriptions, job duties, and qualifications for these personnel at the EPA.
5. Please provide any and all records pertaining to the names of all personnel receiving and/or sending any and all telephone calls or other forms of information pertaining to any and all dangers and warnings of Kepone and/or Chlordecone from 1968-1978. For each person, give the name, address, telephone number, position description, job duties, and qualifications for duties at the EPA.
6. Please provide any and all records pertaining to initiation and implementation of any warnings required for labels for Kepone and/or Chlordecone from 1968-1978.
7. Please provide all records pertaining to any fines for manufacturers of Kepone and/or Chlordecone from 1968-1978.
8. Please also provide all records relative to testing to analyze dangers of Kepone and/or Chlordecone from 1968-1978.
9. Please provide any and all records that give the identity of each person associated with testing.
10. Please also provide any and all records that give the exact time that the EPA was notified by companies of the dangers and warnings of Kepone and/or Chlordecone from 1968-1978. Please give the identity or name, address, and telephone number of each individual or entity.
11. Please provide any and all records that Name the individual(s) who classified Kepone and/or Chlordecone from 1968-1978 as safe or unsafe products.
12. Provide any and all literature provided to the EPA from or on behalf of the manufacturers of Kepone and/or Chlordecone from 1958-1978.
13. Please provide any and all records pertaining to labels and warnings relative to Kepone.

With kind regards, I remain

Very truly yours,

Ron A. Austin  
Catherine Hilton
